

93, rue Coli,

Casablanca, December 11, 1942.

Mr. WIGGINS,
United States Consulate annex,
CASABLANCA.

Dear Sir,

There has recently been brought to my attention one Abram MILLECH, a copy of whose specifications are attached. I also enclose a copy of Immigration Certificate No. 63205 B.

Can you tell me whether this individual would be considered a British subject as a resident of Palestine, or not?

Will you please return the Certificate as soon as you have examined it in order that the man will not be without documents.

Yours very truly,

Leslie O. Heath.
