AMERICAN CONSULATE

CASABLANCA, Morocco.  
December 11, 1942.

Mr. Leslie O. Heath  
93, Rue Coli,  
Casablanca, Morocco.

Dear Mr. Heath:

I thank you for your letter of December 11, 1942 concerning Mr. Abram MILLECH. From examination of the immigration certificate which you enclosed in your letter it would appear that Mr. Millech has been an immigrant into Palestine, but this, of course, did not give him Palestinian citizenship. He will have to produce further papers showing his nationality or if he has no proof in his possession and he maintains that he is Palestinian, he could have his identity established through the Consulate. I suggest you send him along for him to be interviewed.

There is returned herewith the immigration certificate No. 63205B.

Yours very truly,

Aller MARK
