Casablanca, 28th November 1942,

Mr. BAGBY,  
Vice-Consul,  
United States Consulate,  
CASABLANCA.

Dear Mr. Bagby,

You will perhaps be interested in the attached copy of the letter I received from Dr. Wyss-Dunant.

It is interesting that they seem to be releasing those in camps in Algeria. As soon as I hear anything further I shall let you have information.

Yours very truly,

Leslie O. Heath.
