

93, rue Coli,

Casablanca, 1st December 1942,

Mr. MAYER,
United States Vice-Consul,
United States Consulate,
CASABLANCA.

Dear Mr. Mayer,

A day or so ago there was an item in the "Petit Marocain" stating that an Austrian Army Contingent was being organized in the States.

Several ex-Austrians from the camps have asked about it.

Could you tell me whether there is anything known here about it at this time, and if not could you find out anything for these people.

Yours sincerely,

Leslie O. Meath.
