

93, rue Coli,

Casablanca, December 19th 1942.

Mr. WIGGINS,  
British Consulate,  
CASABLANCA.

Dear Sir,

You might perhaps recall your letter to me of December 11th, concerning Abram MILLECH.

You suggested that he calls at the Consulate to be interviewed.

I find that he is at present at Bou-Arfa. In order to have this matter cleared up, I think it would be useful if you could request the Commandant there to have him come here for an examination. I understand he is known, also as Albert MARK, so I am not sure under which name he is listed at Bou-Arfa. I am told his camp is : G.T.E. 1, Bou-Arfa.

Yours very truly,

Leslie O. Heath.
