

this amount to his 600 Esc. per mont h.

At lunch, inquired of Oliveira if stamps could be sent to U.S. without being confiscated at Bermuda. He said yes, they could, if sent by pouch.

Snooze

Cabled Marseille on case of Simon Frank, confirming PCO's confirmation of visa, Overseas Airway's places being reserved, cautioned concerning visa application, not to mention land of origin

Visited Deacock, Navicert office, for Pink Navicert Forms, to be filled in triplicate as application. As ultimate consignee is in France, and export license granted for that ~~xxx~~ consigee, navicert from here in automatically given, takes about an hour. Then to Portuguese shipper.

July 31

Interview with Cesar da Fonseca on drug shipment...he's the man to get the Port. export permits. Recommends sending by boat as other procedure by land is complicated and long. But don't want to bother Menzel with this small shipment. Will consult Andrieu on ways and means.

Called Andrieu, who promised to send self around this afternoon to discuss prices of food shipment for which we want to ask permission of Castro Caldas.

Interview with Bernstein, just back from France, information on ~~the~~ cancellation
